Answer

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI S. REGUPATHY)

(a): Yes Sir.

(b): The programme is a part of the comprehensive approach to the Border Management with focus on socio-economic development of the border areas and to promote a sense of security amongst the people living there.

(c) & (d): No five year plan outlay has been fixed under BADP as such. However, the funds are allocated by the Planning Commission annually which are re-allocated to the border States taking into consideration (i) length of international border (kms) (ii) population of border blocks and (iii) area of the border block (sq. kms). The funds under this programme are provided to the State Government as a 100% Central grant.

(e): The allocation and releases made to the border States under the programme during the Tenth Five Year Plan period are given in the Annexure.
